

Real Love takes more than flowers,
means more than beautiful words.

Real Love means
keeping promises...
holding on when you
don't want to,
being strong
so that others may rest.

And as time and change
swirl around us,
the **Love** we share
stands quietly in the midst of our lives,
forever beautiful,

Forever real.

Olive,

Sometimes I stop and think about
what we've been through together -
the good, the bad,
and everything in between.
And I realize that there's no one
I'd rather share my life with
than you.

I **Love** you,
I **Appreciate** you,
I **Thank God** for you.

HAPPY BIRTHDAY

Love Always,

XOXOXOXOXOX
